**Lectures, conferences, award ceremonies and live demonstrations: This year again the participants in BAUMA CONEXPO INDIA can look forward to a diverse program of supporting events. The fourth edition of the show takes place from December 12 to 15, 2016 at the HUDA Ground in Gurgaon, Delhi.**

The Builders' Association of India (BAI), the Indian Construction Equipment Manufacturers' Association (iCEMA), the International Powered Access Federation (IPAF), *Construction Times* and *Construction Opportunities* are organizing three days of conferences, lectures and trade events.

On Monday, December 12, for example, the BAI Managing Committee Meeting is being held. Following the meeting, the participants will be given a guided tour of BAUMA CONEXPO INDIA.

IPAF, too, is taking the opportunity to hold an all-day members' meeting on the first day of the show at the HUDA Ground. The association itself is handling invitations to this event. On the afternoon of December 12, *Construction Times* is honoring the best in construction and infrastructure with its "Construction Times Awards 2016".

On Tuesday, December 13, iCEMA is holding a conference on the subject of "Infra redux—New and sustainable horizons". The event is intended as a platform for presenting the emerging growth trends in Indian infrastructure.
