Press release

**A date for the event has been set
bauma CONEXPO INDIA will take place from
December 11 to 14, 2018**

The fifth edition of the international trade fair for construction machinery, building material machines, mining machines and construction vehicles will take place once again at the HUDA grounds in Gurgaon/Delhi. Exhibitors interested in the event can register now at www.bcindia.com. Priority deadline will end on April 30, 2018 when the placement phase starts.

Positive trend for the Indian construction machinery market

The preparations for bauma CONEXPO INDIA 2018 have started on a pleasant note. There is a positive trend in all sectors of the construction machinery industry in India for the years to come. Bhupinder Singh, CEO of bC Expo India, is pleased: "We expect this good development on the Indian market to be reflected in the next event." bauma CONEXPO INDIA has become the industry's key meeting point in India in recent years.

Exhibitors present at the last event back up this trend. Payal Koul Mirakhur, Vice President of Invest India, explains: "We find that this is the best opportunity for Indian companies to show the international community what facilities India has." The event also received good ratings for direct business transactions as Wu Song, Managing Director at Liugong, confirms: "The success of bauma CONEXPO INDIA is a reflection of the overall upturn and positive outlook of the Indian construction market. We sold several machines at the booth."

Construction machinery trade shows of Messe München

Organizing trade shows for the international construction machinery sector is a core competence of Messe München. Its portfolio includes not only the world's leading trade show, bauma in Munich, and the brand event bauma CHINA in Shanghai – it also cooperates with the Association of Equipment Manufacturers (AEM) in the organization of bauma CONEXPO INDIA in Gurgaon/Delhi and bauma CONEXPO AFRICA in Johannesburg. In December 2015, Messe München expanded its portfolio by purchasing CTT which is named now bauma CTT RUSSIA. Further in March 2017, the trade fair organizer increased the bauma network again by gaining the license of the second largest trade fair in South America, M&T Expo, as well as the licenses of the Brazilian shows M&T P&S and Construction Expo.

Messe München

Messe München is one of the leading exhibition organizers worldwide with more than 50 of its own trade shows for capital goods, consumer goods and new technologies. Every year, a total of over 50,000 exhibitors and around three million visitors take part in more than 200 events at the exhibition center in Munich, at the ICM – Internationales Congress Center München and the MOC Veranstaltungszentrum München as well as abroad. Together with its subsidiary companies, Messe München organizes trade shows in China, India, Brazil, Russia, Turkey, South Africa, Nigeria, Vietnam and Iran. With a network of associated companies in Europe, Asia, Africa and South America as well as around 70 representations abroad for over 100 countries, Messe München has a global presence.

Association of Equipment Manufacturers (AEM)

AEM is the North American-based international trade group providing innovative business development resources to advance the off-road equipment manufacturing industry in the global marketplace. AEM membership comprises more than 950 companies and more than 200 product lines in the agriculture and construction-related industry sectors. AEM is headquartered in Milwaukee, Wisconsin, with offices in the world capitals of Washington, D.C.; Ottawa, Canada; and Beijing, China. AEM has an ownership stake in and/or manages several world-class exhibitions, including CONEXPO-CON/AGG, one of the world's largest gathering places for the construction industries.
