

Facts & Figures | IFAT Munich 2024

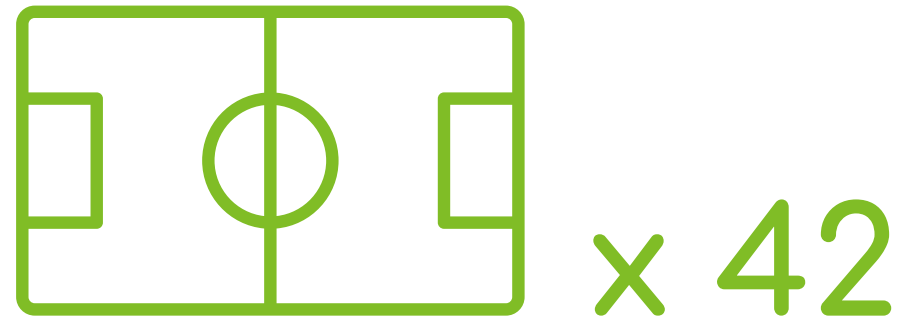

3,100

exhibitors

120,000

visitors

More than 3,100 exhibitors will meet more than 120,000 visitors from May 13 to 17, 2024

Around 300,000 square meters of exhibition space is occupied by IFAT Munich - that is 42 soccer fields

More than 150 machines and trucks will be demonstrated at IFAT Munich, including electrically and hydrogen-powered

150 machines and trucks

100%

All the exhibition halls at IFAT Munich are occupied. The security of the outdoor area is ensured by a over two kilometers of fencing around the outdoor area

It is expected that 60 percent of visitors will use public transportation. In total 200 buses will be running during the trade fair, with the subway running every 5 minutes

200 buses

Subway every 5 minutes

Those who prefer to spend the night in a camper instead of a hotel will have the opportunity to do so at IFAT Munich: There are already around 180 registrations for the trade fair's own campsite
