

Mumbai, 21 December 2021

Press Release

North India's leading trade fair for the Construction Industry will take place in January 2023, bringing the construction and infrastructure community together to fuel business and infrastructure growth.

bauma CONEXPO INDIA - the International Trade Fair for Construction Machinery, Building Material Machines, Mining Machines, and Construction Vehicles will now take place on **January 31 – February 03, 2023** at **India Expo Centre (IEC), Greater Noida, Uttar Pradesh.**

Mr. Bhupinder Singh, CEO, bC Expo India Pvt. Ltd. said, "We have arrived at the dates of bauma CONEXPO INDIA after thorough market assessment and consultation with our key stakeholders. The pandemic has showed our industry a lot of potential for alternative digital communication, business innovations and collaboration, but at the same time also confirmed the huge importance of personal contact and dialog with the clients, partners and business professionals."

Mr. Arvind Garg, Chairman, bauma CONEXPO INDIA - Task Force and Executive Vice President and Head, Construction and Mining Machinery at Larsen & Toubro Ltd said, "At a time when the industry's mood is gradually lifting, the event at the new venue on new dates will allow the industry to participate whole heartedly and put their best foot forward. The India Expo Centre & Mart is emerging as the center for World trade with a modern, large, integrated and multipurpose exhibition & convention center. We look forward to supporting the event and participating in the upcoming edition of bauma CONEXPO INDIA 2023".

ICEMA is pleased to continue its partnership and long-standing cooperation with bauma CONEXPO INDIA aimed at bringing industry stakeholders together to network, explore business opportunities and showcase latest innovations, said **Mr. Dimitrov Krishnan, President, ICEMA & Managing Director, Volvo CE India.** He mentioned that this platform will enable the industry to exchange insights & best practices with their counterparts. An exposure to the vast product offerings from the Indian CE industry will encourage higher mechanization levels in the Indian construction sector and will also help develop a robust manufacturing ecosystem in the country. This initiative will strengthen India's position as a major potential exporter of construction equipment to global markets.

"bauma CONEXPO INDIA has been playing a pivotal role in the inculcation of new construction technologies. Our association with bauma CONEXPO INDIA will further encourage mechanization of construction processes across India especially in states like Arunachal Pradesh and Sikkim in the north-east, where BAI is establishing itself more strongly. BAI National Members Meet can be planned alongside with bauma CONEXPO INDIA 2023 with maximum participation from pan India." **Mr. R.N. Gupta, President – Builders Association of India (BAI)** added.

In addition about moving the show to Greater Noida **Mr. Singh said:** Greater Noida Industrial Area is located at the intersection of the Western and Eastern dedicated Freight Corridors and is the gateway to the Delhi-Mumbai Industrial Corridor (DMIC). It lies within the National Capital Region of India's capital – New Delhi and is adjacent to Noida, one of the largest industrial townships in Asia. The integrated township is shaping up as India's smartest city.

With its next edition in 2023, the focus will be on a future trend, latest innovations and new projects in the construction, building materials and mining machinery industries. bauma CONEXPO will come back even more successful with full zest and vigour.

bauma CONEXPO INDIA

bauma CONEXPO INDIA, international trade fair for construction machinery, building material machines, mining machines and construction vehicles, is the most important industry event for the sector in India with an exhibition area of 195,000 square meters. The last bauma CONEXPO INDIA in December 2018 attracted 668 exhibitors from 26 countries and 39.173 participants from India and neighboring states. bauma CONEXPO INDIA is held every two years: the 6th event will take place in India Expo Centre (IEC), Greater Noida, Uttar Pradesh from January 31 – February 03, 2023.

bauma NETWORK: Five construction machinery trade fairs of Messe München

In addition to the world's leading trade fair bauma, Messe München has extensive skill in organizing additional international construction machinery trade fairs. For example, Messe München organizes bauma China in Shanghai and bauma CONEXPO INDIA in Gurgaon/Delhi together with the Association of Equipment Manufacturers (AEM). In December 2015, Messe München successfully expanded its portfolio further with the purchase of the leading Russian construction machinery trade fair CTT, now renamed bauma CTT RUSSIA. In March 2017, the bauma NETWORK was again expanded with M&T EXPO in the form of a license agreement with SOBRATEMA (Brazilian Association of Association of Technology for Construction and Mining).

Messe München

Messe München is one of the leading exhibition organizers worldwide with more than 50 of its own trade shows for capital goods, consumer goods and new technologies.

Every year, about 50,000 exhibitors and around 3 million visitors take part in more than 200 events at the exhibition center in Munich, at the ICM – Internationals Congress Center München, the Conference Center Nord and the MOC Veranstaltungszentrum München as well as abroad.

Together with its subsidiary companies, Messe München organizes trade fairs in China, India, Brazil, Russia, Africa, Turkey and Vietnam. With a network of associated companies in Europe, Asia and South America, and with around 70 representatives abroad for more than 100 countries, Messe München has a truly global presence.

Association of Equipment Manufacturers (AEM)

AEM is the North American-based international trade group representing off-road equipment manufacturers and suppliers, with more than 1,000 companies and more than 200 product lines in the agriculture and construction-related industry sectors worldwide. The equipment manufacturing industry in the United States supports 2.8 million jobs and contributes roughly \$288 billion to the economy every year. AEM has an ownership stake in and/or manages several world-class exhibitions, including CONEXPO-CON/AGG, the largest construction trade show in the western hemisphere and one of the world's largest gathering places for the construction industries.
