**Messe München will organize the air cargo forum for The International Air Cargo Association (TIACA). It will take place every two years in Miami and will continue to be supported by TIACA with industry expertise.**

“With the air cargo forum Miami, we are enriching our cluster of topics of international transport logistic and air cargo exhibitions – and our customers will receive more planning certainty and can leverage synergies in our global network,” Gerhard Gerritzen explained, Member of the Executive Board of Messe München. The network currently includes airfreight events in Munich, Shanghai, Mumbai, Johannesburg, Istanbul and now also Miami.

“We have won an internationally leading trade fair partner with Messe München. Together with the content expertise of TIACA, we are creating a basis for strong development in the future for the air cargo forum Miami,” Steven Polmans stated, Vice Chairman of TIACA. “We especially see great potential in a multimodal expansion. Miami is the North American gateway to the whole world, and the ACF is a mandatory date for all those who want to benefit from this international connectivity.”

The next air cargo forum Miami will take place at the Miami Beach Convention Center from November 10 to 12, 2020.

### **transport logistic Worldwide**

The international industry network of transport logistic consists of eight events. In addition to the leading international trade fair transport logistic in Munich, there are three events in China. Messe München organizes transport logistic China every two years, and it also holds the transport logistic China Forum in alternating years, both in Shanghai. In addition, there is a partnership with the China International Transportation & Logistics Expo in Chengdu, an event of the Chinese logistics association CCTA. In India, transport logistic India @ CTL is organized in cooperation with Exim India and takes place every two years in Mumbai. In Turkey, Messe München and EKO Fair Limited jointly hold the logitrans International Transport Logistics Exhibition in Istanbul. Current additions to the trade fair network are Air Cargo India and Air Cargo Africa, which will be held in Mumbai and Johannesburg respectively in two-year intervals.

### **Messe München**

Messe München is one of the leading exhibition organizers worldwide with more than 50 of its own trade shows for capital goods, consumer goods and new technologies. Every year, a total of over 50,000 exhibitors and around three million visitors take part in more than 200 events at the exhibition center in Munich, at the ICM – Internationales Congress Center München and the MOC Veranstaltungszentrum München as well as abroad. Together with its subsidiary companies, Messe München organizes trade shows in China, India, Brazil, Russia, Turkey, South Africa, Nigeria, Vietnam and Iran. With a network of associated companies in Europe, Asia, Africa and South America as well as around 70 representations abroad for over 100 countries, Messe München has a global presence.

### **About TIACA**

The International Air Cargo Association (TIACA) is the only organization representing all segments of the air freight supply chain. Our not-for-profit association supports, informs, and connects companies and organizations of all sizes with the aim of developing an efficient, modern, and unified air cargo industry worldwide. We host two major events, the biennial Air Cargo Forum and the biennial Executive Summit, as well as organizing training and career development programs. Our headquarter is located in Miami, Florida, USA
